**\*\*IMPORTANT\*\***

Use your highest USBC final average of 2007-2008. If you current average at time of entry of 21 games in ten or more pins higher than your 2007-2008 average, your current average must be used. If no average from last year, use your highest USBC average of this year at time of entry at least 21 games. All other bowlers scratch, Rule 319b.\*Non-league bowler can qualify by paying \$19.00 affiliate USBC membership fee. Possible re-rating depends on winning over \$600.00 per event within 12 months. This rule will apply to all participants. If the re-rated average is not accepted by the bowler, the entry fee shall be refunded. Tournament Manager reserves the right to refuse any entries. Any bowler who falsifies his or her average will forfeit all prize fees.
