

2008 Annual Awards Night

Angel Ramos
Keynote Speaker

Angel is a former resident of the Dallas metro area and a former member of DAD. Many Dallasites will recall him being a strong Deaf rights advocate. He was instrumental in helping DAD, along with a few others, to receive a grant from the City of Dallas to pave the parking lot and to build the fence around the clubhouse. Angel was involved with the Gallaudet University Deaf President Now (DPN) movement in 1988 and co-hosted the recent 2008 DPN anniversary at Gallaudet. Throughout the years Angel has made many positive impacts on the education of Deaf students as well as helping to expand educational opportunities for the Deaf and hard of hearing children and adults.

Brian was born to a Deaf family and raised in Maryland where he spent most of his childhood. While growing up he would join his Deaf parents at the Washington DC Club of the Deaf and later participated in various Deaf sports. Brian is a big supporter of Deaf rights, clubs and the Deaf communities.

Brian Brizendine
Master of Ceremonies
