FOR: PEOPLE WHO ARE DEAF AND HARD OF HEARING

DATE & TIME: SEPTEMBER 21, 2006 AT 6:00PM – 8:00PM

WHERE: TEXAS SCOTTISH RITE HOSPITAL
2222 WELBORN STREET
(CROSS STREETS OF MAPLE AND OAKLAWN)
DALLAS, TEXAS 75219

WHO'S TALKING:

Terry W. Smith, Assistant Commissioner - Division for Rehabilitation Services

David Myers, Director of Office for Deaf and Hard of Hearing Services

The Department of Assistive and Rehabilitative Services (DARS) wants the opportunity to share some of the positive results that have happened since Deaf and Hard of Hearing Services merged with the Division for Rehabilitation Services. DARS is a state agency and the Division for Rehabilitation Services provides services for people who are deaf and hard of hearing in order to live, work, and play in the community. You will have a chance to discuss experiences or give any suggestions you have about DARS services.

Sign Language Interpreters, C.A.R.T. services, and FM Systems will be available.
