Ingredients:

Chicken Drumsticks: Team is responsible for providing its own FRESH chicken drumsticks (long legs). A quantity of at least 12 drumsticks (1 dozen) is required, 20+ is suggested. At judging, each of the three (3) Kick'n Chick'n Judges will be presented with ONE of your drumsticks. ** The Community Tasters would also like to sample your creation. We suggest providing inexpensive plastic pill cups for your samples. Another suggestion, designate someone on your team to keep the samples moving. Only a small amount of chicken is necessary for each cup. In the event you're feeling generous...give them an entire drumstick!*

Condiments: Team is responsible for providing its own secret sauces, spices, rubs, etc. Be creative! Kick-It-Up-A-Notch! Yum-O!

Grills/Fryers:

Each team may enter ONLY ONE category. GRILLED or FRIED.

Grills: Team is responsible for providing its own MODERATE sized CHARCOAL and/or GAS GRILL, and the propane and charcoal needed to grill the drumsticks. (25-ton Long Horn smokers will not be allowed on the grounds.)

Fryers: Team is responsible for providing its own MODERATE sized PROPANE DEEP FRYER and COOKING OIL to fry the drumsticks. (99-gallon Krispy Krème deep fryers will not be allowed on the grounds.)

**A reminder, you will park in Plano YMCA's parking lot and carry your equipment to your designated cooking location. The grounds are beautiful, but hilly...keep it light!*

Suggested Supplies:

1. Cooler & Ice for Drumsticks & Condiments
2. Grill and/or Fryer and Fuel
3. One 6' Table, or Two Card Tables
4. Tablecloth
5. Grilling and/or Frying Utensils

Today, because of your generosity, deaf and hard of hearing teens will continue to be inspired and encouraged to follow their dreams...in spite of their hearing loss. As Thornton Wilder so aptly put it,

**“Money is like manure; it’s not worth a thing unless it’s spread
around encouraging young things to grow.”**
