Greetings!

The time is drawing closer for the 2008 Statewide Conference on Education of the Deaf and Hard of Hearing which will be held in Austin, Texas, on July 21 – 23, 2008. In January you should have already received an invitation letter asking you to participate as a vendor for this biennial conference that reaches professionals and parents representing every school district in the state of Texas served by the Regional Day School Programs for the Deaf, and Texas School for the Deaf. It is not too late to choose to participate in this conference as an exhibitor!

The Moody Gardens Hotel, Spa and Convention Center, the site of the conference offers a large exhibit hall that will be staffed with security and will be professionally decorated to showcase businesses and organizations. To insure that our attendees will visit the exhibits and vendors, we will be hosting both day and evening events in the exhibit hall. We also have food events planned in the day during the conference.

You are receiving this follow-up letter, on the chance that our first invitation was overlooked. We want to be sure that you have every opportunity to participate in this event. If you would like to participate in any one of the ways listed to promote your business or organization during our conference please fill out the enclosed paperwork and return it as quickly as possible with your payment to our office. If you have any questions, please do not hesitate to call or email Kathi Perez at 903-872-6534 or kperez@cisd.org.

We hope that you will be joining us at the 2008 Statewide Conference on Education of the Deaf and Hard of Hearing. We think you will be pleased with the scope and outreach this event will provide. We look forward to hearing from you.

Sincerely
